

# TURN TRASH INTO CASH WITH BOXTOPS!

Since 1996, General Mills has given away millions of dollars to schools through this program. The top participating schools receive \$50,000—\$70,000 a year through the program. Earning our share is so easy—for each and every box top that we turn-in to General Mills, we receive 10 cents! Since August of 1999, our school has raised \$9,340. Last year alone we took 11,220 of box top “trash” and turned it into \$1,122 of box top cash! All of that money went directly to our children’s education! It is super easy to do:

- Use the list below as a guide for products that participate.
- All year long we ask you to collect your box tops & tell your friends and family to do the same.
- Periodically bundle them up and send them in to school in an envelope with your child’s homeroom on it.
- Students have specially marked receptacles in the classrooms where they put their box tops.
- Take a moment to log onto to <http://www.boxtops4education.com> and join the booster club. For each new member the school gets free box top credits and the club offers all sorts of coupons and discounts to members
- Spread the word and get everyone you know to turn trash into cash for St. James!
