

# BUS SERVICE ALERT

## STRATFORD RESIDENTS ONLY

***THE RULES HAVE CHANGED!!***

***PLEASE READ CAREFULLY!! YOUR SERVICE MAY BE IMPACTED SO READ THIS MEMO & RETURN IT TO SCHOOL BY FRIDAY, JUNE 3rd.***

**PLEASE READ THE FOLLOWING BUS SERVICE STIPULATIONS....**

You must reside in Stratford to have bus service.

Only registered riders may ride the buses and no unauthorized bus switching is permitted.

The bus company does not accept sporadic or irregular riders. You must ride daily to and from the same address or on a daily basis.

**\*ONLY ONE ADDRESS IS ACCEPTED.** The town is NOT required to provide bus service for day care purposes.

Only one residence may be used for bus service. If you have a need to have your child dropped-off at a different address than your own, you may request it with this form, but the assignment WILL ONLY BE TAKEN UNDER ADVISEMENT by the school bus company. If the additional drop is approved, then the second address will not be added until after the school year has begun and ONLY if they can easily accommodate it —NO guarantees.

I will submit a listing to the Town based on the responses I receive on June 11th. If you are not sure that you will be riding the bus, I recommend that you sign up anyway. It is better to be on the initial bus list I submit in June as the bus company does their scheduling of routes over the summer. If you are added on later (add-ons are done in the fall), the bus company is not very flexible about changing routes or stops & your chances of a reasonably close bus stop diminish. For your information, official bus routes are mailed home in August and routes are published in the Stratford Star.

Again, **all bus riders should fill out this form below** & if you have any changes or issues regarding bus service next year please indicate them on form below and return it to school **NO LATER THAN JUNE 11th.**
