## Enrollment Form

*For the 2009-2010 School Year*

Future Musicians will be giving instrumental music lessons in each school during the course of the school year. Scheduled national and school holidays have been taken into account.

There are three payment options available to Future Musicians parents: full payment upon enrollment, two half-yearly payments (the first due upon enrollment and the second due January 15, 2010), or a nine-payment plan (with the first payment due upon enrollment and subsequent payments due on the first of each month, beginning on October 1st).

Parents that choose the 9 payment option should be aware that late payments will result in an immediate suspension of lessons. Parents who withdraw their child from lessons are responsible for the tuition payments until a written drop notice is received in the Future Musicians office.
