

**HELP ST. JAMES SCHOOL
BY PARTICIPATING IN THESE
FREE MONEY PROGRAMS
2017-2018**

Listed below are some programs that can earn St. James School free money. Help us keep tuition down by participating in the following programs:

1. Ink Cartridge Recycle and Redemption

We receive cash credits through a cartridge recycling program for used ink cartridges from your computer printers. We receive \$2.00 per cartridge. Each time you replace your cartridge in your printer, remember to send the empty one into school.

2. Box Tops for Education Labels

These labels are found on many store products that you purchase, just cut the label and turn it in to school with your child's name on an envelope. Each label is worth 10 cents. There are specials from time to time that have bonus values. In the past several years, the school has received checks ranging from \$1,100 to \$2,000 a year based on the participation in this program.

3. Amazon Smile Program

Your shopping through Amazon.com can be cost effective for your pocket book and your school! Amazon will donate .5% of each eligible purchase to our school. Each time you shop, you must go to the www.smile.amazon.com for St. James to benefit. Amazon Prime members will receive the same member benefits when shopping through amazon.smile. Register at <https://smile.amazon.com/>. You must select St. James School, Stratford, CT as your charity to support. There are many St. James' listed!

4. Kid-U-CATION Program

Run by Community Crusades, a Connecticut charity which provides bins to schools to collect clothing, shoes and books that are repurposed as they are needed in our local community. Schools receive the benefit of a per-pound rebate on what is collected in the bin. This is a win-win arrangement for all so please clean out your bookshelves and your closets and donate! The bin is located behind the church.

5. Educational Points and Rebates

Please complete the form below so that St. James can receive educational rebates available to us through ShopRite grocery stores and actual cash from Stop & Shop.

Thank you for your support!

EDUCATIONAL POINTS AND REBATES!!

Stop & Shop and Shoprite offer programs for our school to earn either points or receive a check from our purchases during the year. These programs usually run from September through May.

The educational rebate program provided a significant budget savings to our school. We were able to redeem this past year's total points and rebates, for general classroom supplies, musical instruments and items for the Afterschool Program.

Please fill in the information below for each store and return the form on the first day of school. If other family members would like to help, send in their information as well. We will register your cards with the programs; all you have to do is shop!

Thank you for your continued support of this program as every little bit helps.
