

St. James Fathers Club “Bricks for Security” Fundraiser

THE ST. JAMES BRICK WALK

The brick walk is an ongoing fundraiser focused on generating money for a much-needed Security Access System for our school. Please consider supporting this effort. By participating, you will make a difference in the lives of every member of the St. James School community.

The brick walk is located in front of the gymnasium where the children enter school. The brick work was paid off in the first year, but we need your help to continue to raise funds to support the installation of a new security system. Buy a brick for your family and ask friends of St. James to purchase bricks as well. ***All profits go directly to the school's fund for security.***

Graduation Class Bricks / Inaugural Class of 2014

We are starting a new tradition this year by asking each graduate to buy a brick with their name and the year on it. Every year a new class will be placed next in line on the walk, and will forever be a part of the school.

Memorial Bricks

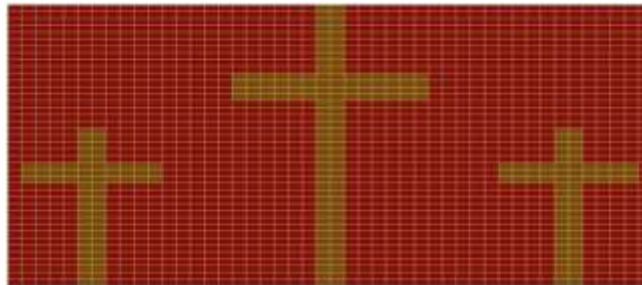

As pictured above, there will also be three crosses offset in a lighter color. The crosses will be reserved for memorial bricks of loved ones who have passed and for those who worked or went to St. James who have passed.
