

MILK PROGRAM

2018-2019 ANNUAL ORDER FORM

Milk is served at lunch time to students in grades K-8 and Preschool students in the Extended Care Program. Annual milk orders are due in the office by August 24, 2018, in order to be available for the first day of our lunch program.

You may sign your child up at any point in the year and payment will be calculated accordingly. If your child wants to change his/her milk flavor, you must send a note into the office and we will make the adjustment as soon as possible.

Total annual cost for milk is \$10.00 based on one carton per day for the 176 days that milk is served. The actual cost of a carton of milk is .26 cents per carton. Your cost is greatly reduced because we participate in the State of CT Dept. of Education Special Milk subsidy program. To maintain lower pricing and administrative costs, we ask that you order a full year in advance.

Note: Qualifying families may receive free milk for their children. See “Free Milk” Letter for details.

MILK ORDER: 2% White Milk or Fat Free Chocolate Milk
