For new students: Has your child ever played an instrument or sung in a choir?

When, and for how long?

Which instrument(s) are they interested in playing?

Is there more than one they are considering trying?

Do you already have a string instrument you own or can borrow?

Do you know what size it is?

IMPORTANT NOTES

Students will meet with Mrs. Kate O'Brien on Mondays in the Music Room for small group lessons. A schedule will be put together before September 17 and will be different each week so the students will not miss the same class. Students are responsible for missed class work.

Mrs. O'Brien will be e mailing all parents about renting or borrowing instruments, purchasing music books and music stands. Please wait until you receive this e mail. Please DO NOT purchase a cheap instrument off the internet or from a music store. For new students, the introductory rental rate from Music and Arts store in Fairfield is an incredible deal and they take care of any problems.

There are concert presentations for the school (day) and families (evening) twice during the school year.

Cost and payment information \$400. total for the 29 weeks of lessons.

Payments may be made in full (\$400.), in 2 (@\$205- due 9/17/18 and 1/7/19) or 4(@\$105- due 9/17, 11/26, 2/4/19 and 3/11/19) payments during the year, checks payable to "OBrien Strings" due September 17, 2018.
